

About PNW ProClean

Ed Ochs, owner and operator of PNW ProClean, is a leader in providing duct and dryer vent cleaning services in the Portland and Vancouver metro area. He has over 20 years of experience in the construction and cleaning industry, including owning and operating a construction remodeling company as well as managing a large portfolio of rental properties.

Ed Ochs, Owner

As the owner, Ed runs all areas of the company, including sales, scheduling, operations, and finances. He is an entrepreneur at heart with a passion for customer service; The job is never done until the customer is completely satisfied.

Our Duct Cleaning Services

Our experienced team is trained to clean and sanitize residential and commercial HVAC systems and dryer ducts safely and effectively.

Residential

Air duct cleaning removes the dust and debris that builds up in the ducts of newly constructed and renovated homes.

Commercial

HVAC cleaning promotes clean air flow while potentially saving your customer thousands on energy costs.

Dryer Vent

Cleaning and minor repairs are included complimentary with our air duct cleaning services.

Partnership Benefits

- Increases your revenue with very little effort and overhead
- Set up is simple and flexible
- Set price with no hidden fees or up charges for you or the customer
- Availability 6 days a week with priority scheduling
- Trustworthy, professional, and highly rated on Google and Thumbtack

Duct Cleaning is Value-Added Service for Your Customers

"Mr. Ochs did an outstanding job. He arrived when scheduled and was informative and very professional. He also left the area cleaner than when he arrived. We could not be more pleased and would not hesitate to recommend him. Nice Job!"

Kevin H., Residential Customer

Example HVAC Installation Partnership

1. Your company sells a duct cleaning service by including it in an installation package.
2. You notify us via email with the job description and contact information for the customer.
3. Our team reaches out to the customer to schedule the duct cleaning.
4. We provide a thorough duct cleaning and ensure that the customer is 100% satisfied.

No hidden fees or upcharges

We offer a set rate with no hidden fees or up charges for you or the customer.

Complimentary dryer duct cleaning included

Our air duct cleaning service includes a complimentary dryer duct cleaning.
